Sponsorship Opportunities in Parks & Recreation

The New Berlin Parks and Recreation Department has great opportunities for business sponsorships in 2015. So much of our community benefits from Parks & Recreation. Without support from our sponsors, the city would not be able to provide the quality parks and programs through our recreational services we provide today.

As a sponsor, businesses team with the Parks and Recreation Department to develop a marketing package that includes advertising within direct mail publications, on our website, at events and within City owned park facilities.

Business Sponsor Programs include:

- Sponsorships within the Parks & Recreational Seasonal Activity Guide
- Through the Athletic Facility Sponsor Banner Program
- Sponsoring a Community Special Event or Program
- Adopt-A-Park sponsorship
