

Business of the Month: New Berlin Senior Taxi

Mayor Ament presented the New Berlin Senior Taxi staff with their *Business of the Month* Certificate. Senior Taxi provides New Berlin's senior citizens and disabled residents with dependable transportation to support independence. We heard amazing stories on how residents are able to continue employment, travel to area hospitals and doctor offices and run errands.

NB Senior Taxi is currently seeking support from residents and local business owners in the following areas...

- Businesses to promote their brand on the taxi vehicles (tax deductible)
- Monetary donations (tax deductible)
- Donation of clean, reliable mid-sized vehicles (tax deductible)
- Person with financial background to assist the Board of Directors
