Volume 3 No. 1

## BUSINESS OF THE MONTH

Congratulations to our January Business of the Month, Anytime Fitness. Be sure to check out their display in City Hall where you can enter to win a 6 month free membership! Anytime Fitness is located in the shopping center on the corner of Moreland and National Ave. Anytime Fitness is offering \$1 memberships during the month of January!

## MUNICIPAL GARBAGE

### UPDATE

Attention residents who will be affected by the City-wide garbage collection: Please be sure to only contract with Waste Management through March 31, 2015 as City-Wide collection begins April 1st. In addition, any automatic payment arrangements made with your current garbage hauler should be cancelled at this time.

## JOB OPPORTUNITIES WITH THE CITY

Be sure to check out Job openings in the City by going to our website. Currently the City is looking for a part time PC Support Technician and a full time Utility Operator in training. Other part time and seasonal positions are also available and applications are done online.

## New Berlin Police Team with Surrounding Communities to Bring Down Burglars

The New Berlin Police Department joined forces with local communities and with the help of New Berlin citizens were able to bring down a group of daytime burglars. The burglars were knocking on people's doors to see if anyone was home. If someone came to the door, they would ask for directions and leave. If no one answered, they would sneak

through the back door and rob the home.

Two citizens from our community immediately called in the suspicious behavior and alerted our police to vehicle descriptions. Three adults from Milwaukee are currently being charged. A special thanks not only to our Police Department, but to our outstanding citizens for their help in the investigation.

## Safety First! How to Prepare for Winter's Worst

With the new year brings frigid temperatures and winter storms. It is important to be prepared for the worst, especially when temperatures and wind chills drop below zero!

### Prepare

- Gather emergency supplies, creating a plan and discussing communication expectations with your family.
- Install battery-powered carbon monoxide detectors
- If you have a generator, make sure it is ready to run at least 20 feet from doors and windows.
- Specifically avoid driving, especially if you know a storm is coming.
- Stay tuned in to weather alerts.

### Survive

- If the power goes out, close off unused rooms to consolidate & retain heat
- Wear layered clothing and use blankets or sleeping bags to stay warm.
- Never use generators, outdoor heating or cooking equipment such as a grill, camp stove, or gasoline or propane heater, indoors.
- Never heat a home with a stove.
- If driving is absolutely necessary, keep disaster supplies in your vehicle and make sure your vehicle is properly equipped.

### Recover

- If power is out for a few days, seek community warming shelters. These may also be beneficial if your home does not have adequate supplies to get through the storm.
- To find a shelter near your home, text SHELTER + your ZIP code to 43362 (4FEMA) to find a shelter near your area. Make sure to bring personal products you would need to spend the night.

For more information on dangers of cold weather and what to do during winter storms, click [here](#). Remember to stay warm and always be prepared!
