Miss New Berlin now Miss Wisconsin

On June 20th at Alberta Kimball Auditorium in Oshkosh, Miss New Berlin, Rosalie Smith was crowned "Miss Wisconsin". Rosalie advocated for providing resources for those recovering from drug and alcohol addictions, something her brother battled for years before passing away in 2013. Rosalie will go on to compete in the Miss America Pageant in Atlantic City in September. Congratulations to Rosalie for being crowned Miss Wisconsin and good luck to you as you continue toward the crown of Miss America!

City Center is Open During Construction

Michelle Whitmer Drive off National Avenue will be under construction starting August 6th. There will be access to businesses and residential units during construction from Wall Street (from the west) and 147th Street (from the east). These businesses, including the Library, will remain open during construction, so remember to stop by, grab lunch, or check out our summer concert events.

Talkin' Trash...

Extra bags and loose items on the ground will NOT be picked up – this includes both garbage and recyclables. The materials must be in the carts for tipping into the trucks. The lid of the cart does not need to be closed if material is propping it open. If there are extra garbage bags, small trash items or recyclables that won't fit, residents will have to hold onto the material until the next pickup day. As a result, if you think you need the larger 96 gallon garbage cart rather than the 64 gallon garbage cart that was originally delivered, now is the time to make your request to Advanced Disposal Services at 262-367-6040. There will be no charge for the larger cart if requested by July 31st. After that date there will be a charge of \$30 for the larger cart.
