February Election to be Held at City Hall

This year the City of New Berlin will have four elections including one on February 16th. The City of New Berlin is consolidating its polling locations for the February Election to **just City Hall**. This means no matter where you normally vote, in February you will want to come to City Hall (3805 S. Casper Drive) to cast your ballot.

Please remember to bring your photo id with you to the polls. This will be the first election New Berlin will be holding that has the Photo ID Law implemented. To keep the election process flowing smoothly, please have your IDs ready when you approach the poll book tables.

If you are not registered in New Berlin but plan to do it on Election Day, be sure to bring a copy of your "Proof of Residency". For more information on what qualifies as proof of residency or what qualifies as an acceptable photo id, please click [here](#).
