Playground at Malone Park

Last week's community build demonstrated what can be achieved when people come together for the common goal of bettering their community. With the help of over 1700 volunteers, the project has been an overwhelming success to this point. The Playground at Malone Park still has some finishing touches and is slated to have its grand opening on July 2nd.

Thank you to the New Berlin Junior Women's Club and all of those who donated their time and money to make this vision a reality.
