Volume 4 No. 10

## BUSINESS OF THE MONTH

Congratulations to our June Business of the Month, Crossfit Funky! Located at 2865 S. 160th Street, Crossfit Funky has staff to help motivate clients by empowering them with the education and awareness they need to make significant lifestyle changes. Through regular exercise and proper nutrition, Crossfit Funky will get you into the best shape of your life, injury free, while having fun!

## POLL WORKERS NEEDED FOR NOVEMBER

The City of New Berlin's Clerk's Office is seeking New Berlin/Waukesha County residents to help work the upcoming November Election. If you are interested, please stop by City Hall and pick up an application or click [here](#). If you have questions or would like to learn more about working or volunteering, call (262) 797-2446.

## JOB OPPORTUNITIES

The Recreation Department currently has seasonal positions available including a Lifeguard, Water Safety Instructor, Youth Sports Instructor and more! For more information on Recreation positions or other available job opportunities through the city click [here](#) or go to our website, [www.newberlin.org](http://www.newberlin.org).

## Condor to the Rescue

On the morning of Monday, June 6th, the New Berlin Police Department responded to a call of a burglary in progress. Officers were given a general description of an intruder who was going through a homeowner's garage with a flashlight. When Condor arrived on the scene he took the Officers on a 1/3 mile track through wooded areas and backyards. Eventually the K9 stopped at a motor home parked in a driveway. There the Officers spotted the suspect matching the description given by the homeowner inside the vehicle! This was another great job by our New Berlin Officers and, of course, our crime fighting K9.

## Movies in the Park Kicks off with Minions

The summer Movies at Malone Park kicks off on Friday, June 24th with the showing of Minions. This movie experience allows viewers to watch from the comfort of their cars, hop onto their tailgate, or pull up a lawn chair. Tune in on your FM radio to listen through the speakers of your car, a flashback to the drive in theater days! The movie begins at 7:30 PM and viewers should enter onto Al Stigler Drive off of National Avenue. Please bring one non-perishable food item per person.

Remember not to miss other fun events happening in the City this month! Thursday, June 23rd, the magician Rick Allen will be performing a family afternoon program at the library from 1:00 PM to 2:00 PM. Also don't miss Puppet Story Theater's - "Light the Torch" on June 30th from 1:00 PM to 2:00 PM. Both events are open to all ages and no registration is required. Both of these events will also take place at the New Berlin Library Community Room.

## John Bauer Award Winner Announced

Congratulations to Mark Alexander for winning the 2016 John Bauer Award! Mark has spent 39 years working in the Parks Department and has seen many seasonal employees come and go through the years. Through that time he has been an outstanding boss and mentor, making an impression on all of his colleagues. Mark's experience and expertise in his job and his dedication to his staff make him most deserving of this award.
