

# Waukesha County

For Injured or Abandoned Wild Animals contact Wildlife in Need at 262-965-3090 for all except deer and bats. Please read the frequently asked questions on their website before intervening. [Website](#). You may also contact HAWS at 262-542-8851 ext 108, who not only save domestic animals but also all wildlife except deer, seabirds and eagles. [Website](#)

Carcasses on County Roads contact the County at 262-548-7736. There is a 72 hour window for them to pick up so it may take a few days.

Carcasses on City Roads please contact the Streets Department at 262-780-4609. They cannot go into yards so the animal needs to be near the edge of the road.

For sick or dead deer please notify the DNR – General Information 1-888-936-7463 or 1-800-847-9367 after hours. Staff will relay the information to the conservation warden who is currently working in the area. [Website](#)
