

2005 & 2006 PARKS AND FORESTRY DIVISION GOALS:

- C Complete Phase I Construction (grading, utilities, seeding, stone pathways, boardwalks, parking area and landscaping) at Pro-Health Care Park.
 - Oversee the completion of design plans & construction documents for Phase II Development (restroom/shelter, play equipment,) at ProHealth Care Park. Complete Phase II of development by September 2006.

- C Continue to promote additional park use via the provisions of athletic tournaments and clinics.

- C Maintain an inventory of healthy trees along National Avenue and Greenfield Avenue corridors.

- C Continue to implement the City's Gypsy Moth Program, including public education program.
 - Implement, as funding becomes available, the recommendations contained in the Urban Forestry Management Plan.
 - Work with City staff and officials to officially adopt the Urban Forestry Ordinance.
 - Construct informational kiosks at Malone, Lions and ProHealth Care Park.
 - Complete landscape improvements to Hickory Grove Center grounds.
 - Replace outdated play equipment and install new modular play systems at Valley View and Calhoun Parks.
 - Complete the landscaping of the Weston Apple Orchard entrance sign.
 - Purchase two utility trucks for Parks & Forestry Division (dependent on CIP Budget approval).
 - Oversee the Buena Park tennis/basketball court reconstruction project.
 - Resurface the tennis courts at Lions Park (dependent on CIP Budget approval).
