We're Helping People Just Like You

Being unable to accomplish or afford to pay someone for simple household tasks makes life difficult. This is why the Senior Advocate Youth Exchange Service enlists a corps of youth volunteers who stand ready to help senior citizens and people with disabilities at no expense.

We help with: HOUSE CHORES
- Gutter Cleaning
- Snow Shoveling
- Leaf Raking
- Lawn Mowing
- Changing Windows
- Minor Repairs

PERSONAL SUPPORT
- Friendly Visits
- Reading
- Grocery Shopping
- Phone Reassurance
- Information
- Referrals

If we may be of assistance to you give us a call.

Three Ways You May Make a Difference with SAYES

Our Role in the Community

We assist senior citizens and people with disabilities so they may continue to enjoy living in their own homes.

These are our neighbors who may no longer be able to accomplish the daily tasks we take for granted. For many individuals, jobs such as mowing the lawn or completing simple home repair do not seem like crises. For some they are. Being unable to accomplish these chores threatens their quality of life.

This is where SAYES steps in. The Senior Advocate Youth Exchange Service brings together people of all ages by uniting youth and senior citizens. We provide volunteer opportunities to youth and free services to seniors.

SAYES New Berlin, Inc. is a not-for-profit agency serving New Berlin.

Three Ways You May Make a Difference

1. Volunteer

Volunteer to help senior citizens and people with disabilities with house chores, yard work, errands, or by just sitting down and visiting. Volunteering is fulfilling and it may help you:

• Fulfill a service mission of a church group.
• Meet a community service requirement.
• Enhance your resume.
• Improve your chances for a scholarship.
• Make new friends as you create positive change in our community.

2. Donate Services and Materials

Lend a hand and improve your business’ image in the community by offering your skills or supplies. For example:

• Printing
• Office Supplies or postage
• Professional Expertise
• Leadership as a Board member
• Tools (i.e. rakes, shovels, etc.)

3. Make a Tax-deductible Donation

Help out by making a tax-deductible donation. Perhaps you don’t have the time to volunteer, but please consider how you can help people in your neighborhood simply by writing a check.
