Autumn Leaves
Burning leaves generates air pollution, is a fire hazard, and can be a nuisance to neighbors. Alternatives to burning include:
- Mulching your leaves by mowing them along with your grass in the fall
- Spreading your leaves in your garden and around the bases of trees and bushes to protect roots from winter damage

If you do decide to burn, make sure to follow City Code 124-12(N) and acquire a burning permit. Permits may be obtained from City Hall or the New Berlin Public Library for an $8 cash fee. From October 1 - November 15, you can burn Wednesdays through Saturdays. November 15 - March 31 you can burn only on Wednesdays and Saturdays. Burning is prohibited when wind velocity exceeds 9mph!
