No Plastic Bags in the Bins

Did you know that plastic grocery bags should NOT be included in your curbside recyclables?
They actually create a safety issue for employees and contaminate and lower the value of recyclable materials when they are mixed! Look for specially designated bins located at the entrances of stores such as Pick n’ Save, Sendik’s and Target.

Rec Classes for Adults

Our New Berlin Recreation Department offers amazing classes for adults too! Classes include photography, adult swim lessons, and lots of fitness classes such as Pilates, Zumba and aqua workouts. Don’t let the kids have all of the fun!
