COVID-19 City Operations Update Recreation Programs Suspended until May 4th Recycling Center Remains Open

New Berlin WI - Taking into account recent updates from the Center for Disease Control, Wisconsin Department of Health, and Waukesha County Department of Health and Human Services, the City of New Berlin is extending the suspension of all Recreation programs until Monday, May 4th.

- Participants that are registered for programs scheduled to conclude on or before May 4th will be issued an automatic refund via the same method of original payment. Please be patient as we process this large volume of refunds.
- Programs that are scheduled to conclude after May 4th, will be evaluated at a later date to see if we can reschedule missed dates or if refunds will be necessary due to further suspension of programs.

With regards to the Adult Summer Softball League, the City is currently working to amend the season schedule given the current situation. The Recreation Department will be in contact with team managers.

The City of New Berlin Recycling Center remains open at this time. The City of New Berlin recommends that any citizens that do utilize our Recycling Center follow the "social distancing" protocols as recommended by the Centers for Disease Control.
