New Berlin Recycling Center **REOPENED**

New Berlin WI - After receiving further clarification from the Governor's Office, **Mayor Dave Ament has re-opened the City's Recycling Center located at 3711 S Casper Drive.** Summer hours for the recycling center will be in effect, which means the center will be open:

- Tuesdays and Thursdays 9 am – 7 pm, and
- Saturdays 8 am – 4 pm.

Please note that the Tuesday & Thursday hours have been expanded slightly from last year, and the Recycling Center will be opening now at 9 am on those days.

Residents should expect **longer wait times** since the City **will be limiting** the number of cars entering the Recycling Center. Social Distancing **must** be practiced. We ask residents for their cooperation and respect for our employees and others. Residents are encouraged to wear masks. The Recycling Center is open to **only** New Berlin residents and Drivers Licenses **will be** checked. In the case of a new resident whose driver's license does not match their current New Berlin address, both the driver's license and a Utility Bill will be required for evidence of residency.

Should the City find that the proper social distancing is not being practiced by our residents, the City **will reconsider its' decision** to reopen. The Safety of our residents and employees is our utmost priority.

For more information please visit our [Recycling Center and Trash Information](#) webpage.
