**AMERICANS WITH DISABILITIES ACT**

The City of New Berlin fully supports the provision of the Americans with Disabilities Act and is committed to supporting the full inclusion of persons with disabilities into programs, classes, services and public facilities so that full participation may be enjoyed by all. Persons with a disability may request a reasonable accommodation to participate with the City of New Berlin by contacting our department in advance at (262)-797-2443.

All requests must be made a minimum of 14 days prior to the start date of the program/service.
Due to increasing concerns about concussions in youth sports, we ask that you please review the following information, in accordance with Wisconsin Act 172, statute 118.293. Our participants’ safety is our number one concern!

**WHAT IS A CONCUSSION?**
A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a “ding”, “getting your bell rung” or what seems to be a mild bump or blow to the head can be serious.

**WHAT ARE THE SIGNS & SYMPTOMS OF A CONCUSSION?**
Signs and symptoms of a concussion can show up right after the injury or may appear days or weeks after the injury. If an athlete reports one or more symptoms of concussions listed below after a bump, blow, or jolt to the head or body, they should be kept out of play the day of the injury and until a health care professional, experienced in evaluating concussions, says they are symptom free and OK to return to play.

**SYMPTOMS REPORTED BY COACHING STAFF:**
- Appears dazed or confused
- Forgetsfulness/confusion
- Moves clumsily
- Answers questions slowly
- Loses consciousness
- Shows mood or behavior changes

**SYMPTOMS REPORTED BY ATHLETES:**
- Headaches or pressure in the head
- Nausea or vomiting
- Balance problems or dizziness
- Blurry vision
- Sensitivity to noise
- Memory problems
- Confusion
- Feeling sluggish, hazy, or groggy
- Forgetfulness/confusion
- Slurred speech
-Cannot be awakened
- Loses consciousness
- Moves clumsily
- Answers questions slowly
- Loses consciousness for any amount of time
- Confusion
- Feeling sluggish, hazy, or groggy

**CONCUSSION DANGER SIGNS:**
In rare cases, a blood clot may form on the brain of a person with a concussion. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body they exhibit any of the following danger signs:
- One pupil is larger than the other
- A headache that gets worse
- Repeated vomiting
- Slurred speech
- Seizures

**WHY SYMPTOMS SHOULD BE REPORTED?**
If an athlete has a concussion, they need time to heal. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in youth athletes can result in brain swelling or permanent damage that has the potential to be fatal.

**WHAT SHOULD YOU DO IF YOU THINK AN ATHLETE HAS A CONCUSSION?**
If you suspect that an athlete has a concussion, remove them from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play until a medical professional says they are symptom free and OK to return to play. Rest is the key to help an athlete recover. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional. Over the last 7 years we have made major improvements to our City Center including the new home of the Farmers Market, a Kwik-Trip Mart, a beautiful plaza with a pergola and seating, public restrooms with concession stand, additional parking and during the winter months a public ice rink with a fire pit where skaters and visitors can gather and relax while warming up. We are very excited that the City has entered into a public/private partnership with Burghardt Sporting Goods to acquire a portion of the old Wal-Mart building for the future home of the New Berlin Recreation Center. Design work has already begun. Phase one will provide a modern facility with enough space to expand our current programs and allow us to introduce new ones. Phase two will include an addition that will provide for basketball and volleyball courts and an indoor upper level walking and jogging platform around the perimeter and much more. Watch us grow and expand our recreation offerings.

We have completed the western segment of the National Avenue Lighting Plan including new light fixtures along Casper Dr. from National to the northern end of City Hall that also corrects pedestrian deficiencies in the existing brick terraces and makes pedestrian connections to currently unconnected destinations. We will continue to install additional fixtures going east from the City Center area along National this coming summer.

The Roadway Rehabilitation Plan will continue in 2021 with improvements to the drivability and aesthetics of our local streets. Roadway rehabilitation and reconstruction projects will be scheduled through a coordinated effort with our Engineering Department, Water & Sewer Utility, Storm-water Utility, DPW and Waukesha County.

Since being elected as your mayor we have been working to bring a more business-like and fiscally conservative model to city operations, including a number of mini-reorganizations that have helped streamline our organization and reduce operating costs. As a result of these initiatives Moody’s Investment Services has again assigned New Berlin its Aaa (Triple A) Rating, the highest rating possible! There are only 2 other cities in Wisconsin to be assigned Moody’s Aaa Rating. The “Triple A” rating provided the City a very low 1.0878% true interest rate on our General Obligation Promissory Notes - reducing the Debt Service burden on the City’s Operating Budget.

A SafeHome.org study announced “New Berlin is the safest city in the state according to our rankings.” LendEDU.com recognized New Berlin as the 5th highest rated city in Wisconsin for “Providing Homeowners with an Excellent Return on Investment” and the 14th in Wisconsin as “One of the most Budget-Friendly Cities for Homeowners.” And in the most recent BOERKE Commercial Real Estate Market Analysis, New Berlin Industrial Parks showed a vacancy rate of only 2.3%.

On behalf of the Common Council I would like to express our gratitude and thanks to the entire New Berlin staff for their efforts and dedication to our community. They have performed their duties with integrity and professionalism above and beyond expectations, especially during the 2020 election cycle and the COVID-19 pandemic. We could not be more proud of them! My next Leaflet letter will be in the new electronic version of the Recreation Guide that will be found on the City web site. By providing the Recreation Guide and Leaflet electronically we can keep you up to date on Recreation programs and city issues in a much more timely fashion. For the most current information about City matters, please sign up for “Notify Me” and “New Berlin Notes” also on your City web site.

Because of the dedication and leadership of the Common Council, the future of New Berlin looks very bright indeed! We will continue to work together to identify innovative ways to improve the services we expect at a price we can afford while preserving the suburban/rural character of our community.

Mayor Dave Ament
CONGRATULATIONS TO THE WINNER OF THE 2020 CITIZEN OF THE YEAR AWARD!

Mayor Dave Ament is happy to announce Barbara Jacob as the recipient of the 2020 New Berlin Citizen of the Year Award. Barb has provided dedicated service to the New Berlin Food Pantry for over a decade and currently serves as the Pantry’s Assistant Director.

Barb started out at the Food Pantry assisting with food distribution; she later added the solicitation and distribution of school supplies in the Fall. She now annually organizes Thanksgiving bags which include all the fixings for a Thanksgiving dinner including the turkey! She pulls together Christmas baking bags to ensure that those in need can do some Christmas baking and initiated a gift card giving campaign for her clients as well.

Barb is also responsible for recruiting and scheduling the more than two dozen Pantry volunteers. Barb has built relationships with area businesses and local donors to keep the Pantry’s shelves full. She also maintains all the required weekly reports that need to be submitted to Feeding America.

As Assistant Director of the New Berlin Food Pantry, Barb was also responsible for adjusting procedures during the Covid-19 pandemic. She successfully adopted new protocols while continuing to serve this community uninterrupted.

Barb and her husband Ed, who volunteers at the Pantry as well, have lived in New Berlin for over 30 years along with their two children. The family has been active members of the Eisenhower community and are members of St. Elizabeth Anne Seton. Barb is not only passionate about keeping the community fed but she has also been a tireless volunteer for Parkinson’s Disease. She was very active in the annual “Moving Forward” event with Froedtert Hospital and spent many hours soliciting for and then assembling raffle baskets. Those efforts raised thousands of dollars over a seven year period.

NOTES FROM THE NEW BERLIN POLICE DEPARTMENT

NEW BERLIN POLICE CRIME STATISTICS PUBLIC DASHBOARD

The New Berlin Police Department’s Crime Statistics Public Dashboard is an interactive map in which we publish many of the “events” in which we become involved. The purpose of the dashboard is to provide the public an opportunity to stay informed of matters impacting our community. Our hope is that an informed community will be proactive and vigilant in utilizing the provided information to keep themselves and their property safe. Additionally, the publication of information pertaining to crimes in a timely manner may allow the public to assist the police department in providing information on specific matters that may lead to solving the crime.

Please note that the individuals involved in the events published on the public dashboard have not been found guilty or convicted of the alleged ordinance violation(s) or crime(s) at the time of publication. Furthermore, not all events that the police department becomes involved in are published on this dashboard due to the nature or status of the investigation associated with the event and/or applicable privacy laws. Although we attempt to update the dashboard on a daily basis, there may be instances in which updates may be delayed.

Due to the current format in which the public dashboard is hosted, it is best viewed on a larger screen such as a desktop, laptop or larger tablet. Smaller screens greatly detract from the user’s viewing experience. We are working towards an application which will overcome this viewing issue.

SPEAK UP, SPEAK OUT WISCONSIN

In the 2020-2021 school year, the Wisconsin Department of Justice (DOJ) Office of School Safety (OSS), launched the Speak Up, Speak Out (SUSO) Resource Center. The SUSO Resource Center is a comprehensive tool pertaining to school safety. One component of the SUSO Resource Center is a confidential threat reporting system available 24/7. This tool provides a platform for students, parents, staff or any community member to submit confidential tips pertaining to school safety concerns or threats. The confidential tips can be submitted via a mobile application (available at the app store for iOS/Android), a designated toll-free tip line (1-800-MY-SUSO-1) or a website (https://speakup.widoj.gov/). CELEBRATING OUR LOCAL HEROES

The City of New Berlin purchases and displays Street Light Pole banners around the City Center for hometown New Berlin active service members. The Program is designed to encourage the Community to honor and recognize active Military personnel that grew up in the City or consider New Berlin home!

The banners display the official military photo of the service person, as well as his or her name, rank and branch of the U.S. Armed Services. Banners are displayed from Memorial Day through Labor Day. Banners are then presented to honorees by the Mayor at the City’s November Veterans Day Ceremony.

To be considered for the 2020 season, applications must be received by March 31, 2020. All questions related to the Banner Program should be directed to Melody Styba at 262-797-2441 or mstyba@newberlin.org.

Applications and further details are available online at the city website at the following link: http://www.newberlin.org/916/Celebrate-our-Local-Military-Heroes

Did you know Emergency Responders can access your emergency contacts and medical information from the Lock Screen of your iPhone without needing your passcode? Here are steps to setup your iPhone with this important feature:

How to set up your Medical ID on an iPhone:

1. Open the Health App. To locate it on your iPhone, swipe down from the center of your home screen to open Spotlight and type in Health. The white icon with red heard should appear under applications.
2. Click on summary
3. Tap your profile in the upper-right corner.
4. Under Medical Detail, tap Medical ID

6. To make your Medical ID available from the Lock screen on your iPhone, turn on Show When Locked. In an emergency, this gives information to first responders.

In the case of an emergency, first responders will be able to hit the home button (bottom center) on your phone 2x. They will click on emergency on lower left corner and then click on Medical ID in lower left corner. This will display you Medical Information as well as emergency contacts.

As of November 2020, this feature could not be found on an Android phone.

Christmas Tree Pickup

The Streets Department will start picking up Christmas trees the first week of January depending on the weather, snow depth, and plowing schedules and will continue throughout the month.

Please place your Christmas tree near the end of the driveway where it is visible for drivers, but not an obstruction in the roadway for traffic or plowing. Christmas trees can also be taken to the Recycling Center.

If you have further questions, please contact the Streets Department at (262) 780-4609.
This time of year, it is more important than ever to make sure that you keep leaves and other yard waste out of the storm water ditches and inlets. Storm water needs to flow freely during this time of year to avoid any street or yard flooding. When the leaves begin to fall, make sure you remove any leaves or debris from the ditch or inlet in front of your home! For more information regarding the requirements of maintaining the right-of-way in front of your property, please reference Section 230-13 in the New Berlin Municipal Code.

Adopt a Hydrant

New Berlin residents are asked to assist Water Utility by locating the hydrant protecting his or her home and remove the snow from around and near it so that the hydrant will be accessible to the Fire Department. Keep in mind that it is your home being protected. Everyone should be aware that it is a violation of the Wisconsin statutes to pile or dump material, including snow, around or near a hydrant. You are urged to aim your snow blowers the other way. Thank you for your help in keeping snow clear around your hydrant.

A NOTE FROM UTILITIES

Spring Hydrant Flushing Dates: April 12th - May 14th

To City of New Berlin Water Utility customers: Water Utility Crews will be performing maintenance within the water system and will be flushing hydrants. The Water Main Flushing program is designed to remove natural minerals that sometimes collect in the bottom of water mains and make sure that hydrants are operating correctly, which may cause a temporary discoloration in your water supply. Allowing your water to run for a short period of time will clear up the problem. Despite the discoloration, it is safe for human use.

PET LICENSES EXPIRE DECEMBER 31ST

Chapter 152 of the Municipal Code for the City of New Berlin requires that every dog and cat over the age of 5 months be vaccinated against rabies and licensed. Your New Berlin Pet License runs from January 1st thru December 31st of any calendar year. The current license will expire on December 31st, and will need to be renewed.

Fees are as follows:

- Neutered or spayed dog or cat: $10.00
- Non-neutered or non-spayed dog or cat: $15.00
- Late Fee*: $5.00

*Any RENEWAL for DOG licenses not received by March 31st will be assessed with a $5.00 LATE FEE.

IMPORTANT NOTES TO REMEMBER:

- Application forms can be downloaded from the Finance page on the City web site and MUST be accompanied by the proof of rabies vaccination AND proof of spay/neuter. Staff does not have the time to call your Vet.
- The Vicious Dog Declaration Certification in the middle of the application page MUST also be signed before a license can be issued.
- When paying by mail, for BOTH pet license...AND taxes, please send a separate check for each, made payable to the “City of New Berlin”, AND enclose a stamped, self-addressed envelope.
- When paying in person, the tax bill must be paid at the Cashier’s window, but, in order to keep those lines moving, you may need to go to a separate window to obtain your pet licenses.
- Whether in person, or by mail, if a vaccination certificate is not included with your application, AND/OR the Vicious Dog Declaration Certification is not signed, a license will NOT be issued.
The Streets Department asks for cooperation in the following:

- Residents are required to keep snow off the road when shoveling, plowing or snow blowing. See Municipal Code 230-11 ($150 fine).
- The City of New Berlin will repair or replace your mailbox if it is hit by a City plow. (The mailbox must be properly installed and maintained.) Please see our mailbox replacement policy and requirements on the City’s website at www.newberlin.org/index.aspx?nid=424.
- Please remind your children not to stand close to the road. Also, if there are high banks of snow at the end of the driveway, don’t allow your children to tunnel into them, because if a truck with a wing is plowing, someone could be injured or buried in the snow.
- Remember when you do set out your garbage cans to keep them several feet back from the edge of the road.
- Please keep fire hydrants near your home clear of snow. If a fire were to occur, this simple step may be crucial for our first responders.

If you have further questions, please contact the Streets Department: 262-780-4609

Without their dedication and perseverance, the City would not have been able to keep our polling locations open, our wait times down, our polling locations clean and most important—our poll workers and voters SAFE.

If you know a poll worker that assisted during a 2020 Election, make sure you give them a COVID safe elbow bump and a big THANK YOU.

It has been and will continue to be, the number 1 priority of the Clerk’s Office to ensure that every resident has the opportunity to vote safely. The integrity of the election is of the utmost importance.

**Oops! Now What?**

Have you ever made a mistake on a card and want to save what you’ve already stamped? I have found a few ideas to help you out. One helps you make a beautiful card out of an image when you’ve stamped the main image on the wrong flap of the card! In other words, it would have been upside down! Another save is to use a punch to fill up the background of the card front. A punch can also help take away your boo boo! I’ll show you how to do that too!

Zumba Gold

The Zumba Gold Fitness program is second to none. It is an innovative, fun, and exciting program. It was designed for the active older adult, the true beginner, and/or people who are not used to exercising, or people who may be limited physically. The main difference between Zumba Gold and Zumba Basic is Zumba Gold is done at a lower intensity, not as fast, but it certainly is as fun. The same great Latin styles of music and dance are used. This amazing program is very easy to follow so anyone at any age will be able to do Zumba Gold.
