**AMERICANS WITH DISABILITIES ACT**

The City of New Berlin fully supports the provision of the Americans with Disabilities Act and is committed to supporting the full inclusion of persons with disabilities into programs, classes, services and public facilities so that full participation may be enjoyed by all. Persons with a disability may request a reasonable accommodation to participate with the City of New Berlin by contacting our department in advance at (262)-797-2443.

All requests must be made a minimum of 14 days prior to the start date of the program/service.
WHAT IS A CONCUSSION?
A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a “ding”, “getting your bell rung” or what seems to be a mild bump or blow to the head can be serious.

WHAT ARE THE SIGNS & SYMPTOMS OF A CONCUSSION?
Signs and symptoms of a concussion can show up right after the injury or may appear days or weeks after the injury. If an athlete reports one or more symptoms of concussions listed below after a bump, blow, or jolt to the head or body, they should be kept out of play the day of the injury and until a health care professional, experienced in evaluating concussions, says they are symptom free and OK to return to play.

SYMPTOMS REPORTED BY ATHLETES:
- Headaches or pressure in the head
- Nausea or vomiting
- Balance problems or dizziness
- Blurry vision
- Sensitivity to noise
- Memory problems
- Confusion
- Feeling sluggish, hazy, or groggy
- Losses consciousness
- Forgetfulness/confusion
- Moves clumsily
- Forgetfulness/confusion
- Losses consciousness
- Shows mood or behavior changes
- Loses consciousness
- Forgetfulness/confusion
- Memory problems
- Confusion
- Feeling sluggish, hazy, or groggy

WHAT SHOULD YOU DO IF YOU THINK AN ATHLETE HAS A CONCUSSION?
If you suspect that an athlete has a concussion, remove them from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play until a medical professional says they are symptom free and OK to return to play. Rest is the key to help an athlete recover. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional. Learn more at: www.cdc.gov/concussions/HeadsUp/youth.htm

CONCussion DANGER SIGNS:
In rare cases, a blood clot may form on the brain of a person with a concussion. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body they exhibit any of the following danger signs:
- One pupil is larger than the other
- Cannot be awakened
- A headache that gets worse
- Slurred speech
- Seizures
- Repeated vomiting
- Losses consciousness for any amount of time

WHY SYMPTOMS SHOULD BE REPORTED?
If an athlete has a concussion, they need time to heal. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in youth athletes can result in brain swelling or permanent damage that has the potential to be fatal.

Due to increasing concerns about concussions in youth sports, we ask that you please review the following information, in accordance with Wisconsin Act 172, statute 118.293. Our participants’ safety is our number one concern!

Counselor in Training (CIT) Program
Ages: 12-15. Must be 12 by training week.
Training Week Fee (Week One): $100
Fieldwork Weeks (Weeks Two-Ten): $25/week

The CIT program offers teens the opportunity to develop leadership and program skills with the potential for a counselor position in the future. The focus is on small group dynamics, communication skills, teamwork and values clarification. CITs help to organize games and activities with the campers and assist the counselors with daily responsibilities. Each week is themed to enhance additional values to be a successful Camp Counselor. A CIT experience allows teens to have a lasting impact on our campers this summer. Have fun and be a role model!

In order to become a CIT, teenagers will need to complete an application (available at www.newberlin.org) and applications will be reviewed and staff will invite CITs into the program. CITs must attend a mandatory one week training June 15th-19th consisting of classroom education and interactions with counselors and campers. CITs can then sign up for any CIT fieldwork weeks as their schedule allows with at least a 4-week commitment.

**Beginners**—This series introduces players to the basic shots of the game including groundstrokes, volleys, serve, return of serve, and scoring. Proper grip, grip pressure, paddle skills, and court positioning will also be covered. Drills and game play are both used to incorporate skills and strategies into your game.

**Advanced Beginners**—For those players who have some experience playing, this series is focused on developing consistency and accuracy with the fundamental strokes and introducing depth and placement on both the forehand and backhand sides. Punch volleys, block volleys, and high-ball put aways will be added to your arsenal of shots.

**Intermediate**—This series is for the player who is mastering the fundamentals and is looking to improve their soft game (dinks and drops) while also attacking with power when the situation allows. 3rd shot drops, mastering dinks, shifting for coverage, and attacking are the focus. The Zumba Gold Fitness program is second to none. It is an innovative, fun, and exciting program. It was designed for the active older adult, the true beginner, and/or people who are not used to exercising, or people who may be limited physically. The main difference between Zumba Gold and Zumba Basic is Zumba Gold is done at a lower intensity, not as fast, but it certainly is as fun. The same great Latin styles of music and dance are used. This amazing program is very easy to follow so anyone at any age will be able to do Zumba Gold.

Location: New Berlin Community Center - Cleveland Room
Instructor: Becky Zaffke, Zumba Gold Certified
