

## Waste Management Update

### Wednesday 6/9/21

If you were scheduled for Tuesday (6/8<sup>th</sup>) Garbage and/or Recycling Pickup: Please leave your cart(s) out today. Only the area circled in **red** was completed yesterday. Drivers will be back to complete pickup Wednesday morning.

For this reason, we would anticipate those normally scheduled for today's pickup (Wed 6/9<sup>th</sup>) will now also be delayed. If your carts do not get picked up today, please leave your carts out thru the evening and into tomorrow morning.

Waste Management experienced equipment failures yesterday.

We apologize for delays. **Please**, we ask for your patience & understanding. To report issues:

Waste Management: 262-369-3080 or use the [Contact Us Form](#)
