

Dear Baton Twirlers and Parents,

Welcome to the exciting world of Baton Twirling! We are pleased you have chosen to participate in the New Berlin Recreation's Twirling program. We value this opportunity to provide you with safe, affordable, quality Twirling instruction. We strive to create a fun-filled environment where each student can thrive at their pace!

Here is what you can expect. Our classes are designed to give students an introduction to baton twirling structure and movement vocabulary, and to foster an appreciation of Twirling. During each class session students will develop skills appropriate for their age and level. Each level of instruction builds on skills learned in previous levels.

To help us keep classes running smoothly and safely, please take note of the following procedures:

Visitation: We ask that parents/guardians and siblings please remain in the hallway during class time. For parent/child classes, adults will be allowed in the classroom. We encourage active participation from all students and want to ensure there are no distractions.

Attendance: Please be on time and have your Twirler use the bathroom before they start class. Children must be checked into class by an adult. Please do not drop off your participant outside of the recreation center and have them walk in alone.

Attire: Students should wear something they can stretch and move in easily, and which does not impede movement. We suggest the following:

Baton: Pants or shorts, with a t-shirt or leotard, sweat clothes, and athletic shoes with smooth soles and Baton Week 1 if you don't have a baton we will have one to use and will order so you have your own on week 2.

Inclement Weather & Cancellations: If the weather is questionable go to the Recreation's Facebook page at www.facebook.com/newberlinrecreation or our weather hotline at 262-797-1700. We will try our best to send an email but will post on Facebook and update the weather hotline first.

Playground: NEW this Fall! We have added a class pass add-on for \$10. You would be able to add the class pass so you would be able to use the playground on the day you have class! To pre-register for the class add-on pass please click here:
