## Press Release- Run, Hide Fight Video

The New Berlin Police Department has been working in conjunction with the New Berlin Chamber of Commerce and dozens of businesses in the area on a one hour presentation on Workplace Violence. This presentation includes recognizing troubled employees, how to make your workplace safer, and how to help your employees survive and active shooter situation.

Part of this presentation is a short video titled, "Run, Hide, Fight" and it is an excellent tool to be used not only in the workplace, but in everyday life since these incidents often occur in churches, theaters and shopping malls. We encourage everyone to watch this video, which was produced by the City of Houston Mayor's Office of Public Safety and Homeland Security. It can be viewed from several sites, including YouTube. Google "Run, Hide, Fight".
